## Terms of use

Under the following conditions the graphics and photos, as well as the corporate design of the company easyP System Vertriebs GmbH may be used for the promotion and distribution of easyP-products and service.

easyP System Vertriebs GmbH is the owner of all rights of use under copyright laws on the images and documents stored in the database.

The user accepts that it is protected by copyright.

In the range insect screens and light well covers are predominantly products of easyP System Vertriebs GmbH promoted and distributed.

The easyP-mascot has to be integrated unadulterated into the advertising medium. Especially the easyP-mascot must be in a significant distance to other logos or brands.

The setting must be performed by a professional media or graphic designer.

It is not allowed to falsify the images and documents.

Only the images, which are available as a download file, may be used.

**It is not allowed to copy images from the PDF-Brochure, that are not in the download area.**

**The graphics and photos may be distributed to third parties, if they are a part of advertising media, approved by easyP System Vertriebs GmbH.**

**Before publication of an advertising medium (print medium, website, email-newsletter, etc.), a galley proof must be submitted to easyP System Vertriebs GmbH for release.**

After we have received the signed terms of utilisation, you get the necessary access for the partner area. These data may not be transmitted to third ones. It is important to ensure that unauthorized third obtain no knowledge of your access data.
